

E-Z Clor Pool Care Guide

E-Z Clor® 3-Step System

Pool Care Made Simple - In 3 Easy Steps

Welcome to the world of E-Z Clor® products. This will guide you on the usage of products, care, and testing of your water in order to keep your pool clear and sparkling. Please take a few minutes to review this information and call your professional E-Z Clor® dealer if you have any questions or problems. They're professionals in pool care and they are there to meet your needs.

Enjoy your swimming season and thank you for choosing E-Z Clor® products.

3-Step System

1. Sanitize your pool with convenient stabilized chlorine tabs. Whether your preference is **Chlorinated Tablets 1"**, **Chlorinated Tablets 3"** or **Chlorinating Sticks**, E-Z Clor® has you covered.
2. Shock on a routine basis with effective **Super SHOCK-IT®** granules or **Re-Fresh™ granules** to kill bacteria, destroy algae, and eliminate organic contaminants.
3. Safeguard with **Algaecide** or **Algaecide Plus** to provide a preventative back-up system and protect your pool against the threat of troublesome algae.
